Notwithstanding the foregoing, Declarant may use any reserve funds, if established, to defray operating costs as it deems appropriate.
5. Special Assessments for Capital Improvements and Operating Deficits. In addition to the annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair, replacement, removal or demolition of a capital improvement that the Association is required to maintain or for operating deficits that the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the Members who are voting in person or by proxy at the meeting duly called for this purpose.
6. Date of Commencement of Annual Assessments: Due Dates. The annual assessments provided for herein shall commence as to each respective Lot on the first day of the first month following the date of conveyance of a Lot by Declarant. Upon such conveyance, the annual assessment and special assessments prorated to December 31 must be paid to the Association. The Board of Directors shall establish the due dates for all assessments. All

payments shall be made on or before the due date. Both annual assessments and special assessments shall be collected by the Association, in advance, in annual installments due on January 1.

7. Declarant Exempt from Assessments. Declarant shall not be liable for annual or special assessments upon Lots owned by it. Declarant is not responsible for the establishment of a budget as long as Declarant is the sole voting member of the Association. The Association and Declarant are not required to submit statements for assessments to any Owner.
8. Effect of Nonpayment of Assessments; Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at a rate of 15% per annum or at the highest rate allowed by Iowa law, whichever is lower. The Association may bring an action at law against the owner personally obligated to pay the same, or foreclose the lien against the property in the manner provided for foreclosure of a mortgage, or both, and there shall be added to the amount of said assessment all cost and expenses incurred by the Association in collecting said assessments, including reasonable attorney's fees, whether or not legal action is required in connection therewith. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of the Owner's Lot.
9. Subordination of Assessments Liens. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. The assessment shall be paid prior to or at the closing of sale or transfer of any Lot. However, the sale or transfer of any Lot pursuant to mortgage foreclosure or any proceeding in sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof. Provided, however, the sale or transfer of any Lot pursuant to the foreclosure of any first mortgage or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer. The failure of any Owner to pay assessments as provided in this Article shall not constitute a default under a mortgage insured by the Federal Mortgage Agencies.
10. Assessment Certificate. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in a recordable form signed by an officer of the Association setting forth whether the assessments on a specified Lot have been paid. A properly executed certificate from the Association regarding the status of assessments on a Lot shall be binding upon the Association as of the date of its issuance.

D. Maintenance by Association, Common Area and Insurance.

1. The Association shall provide all maintenance, repair, replacement, restoration, removal and demolition of the Association Responsibility

Elements, including (but not limited to) all necessary painting, repairs, replacements and care of mailbox cluster units, signs, monuments, fountains and other structures. In the case of lawns, shrubs, trees, and other elements of landscaping, the Association shall perform all routine maintenance, including (but not limited to) all necessary mowing, trimming, and replacement of landscaping, and use of pesticides to control infestation of weeds and insects. In the event that the need for maintenance or repair is caused through the willful or negligent act of any Owner, or the owner's family, guests, invitees, agents or contractors, the cost of such maintenance or repairs shall be assessed to such Owner.

2. Maintenance of Common Area. The Association shall be the owner of the Common Area and shall timely pay all real estate taxes and assessments levied against the Common Area. Declarant hereby covenants for itself, its successors and assigns that it shall convey to the Association the fee title to the Common Area free and clear of all mechanic's liens or any liens or encumbrances whatsoever, except covenants, easements, conditions and restrictions whether or not of record or created by this Declaration or granted to any public authority.
3. Contracts and Agreements. The Board of Directors, in its sole discretion, shall enter into any contract, agreement, lease, management contract, employment contract or lease of recreational equipment and facilities, engage the service of and discharge any manager, activities director, managing agent, independent contractor or other employee as it deems necessary. The Board of Directors, in its sole discretion, shall determine the duties and compensation of such persons so employed.
4. Maintenance of No Mow Zones. The Association shall maintain the "No Mow Zones" (if any) in a manner consistent with the zones being planned and used for drainage ways, wetlands and other uses consistent with providing the property drainage for the Plat and surrounding areas.
5. Insurance. The Association may purchase and maintain a comprehensive public liability insurance policy in such amount or amounts as the Board of Directors shall deem appropriate from time to time. Such comprehensive public liability insurance policy shall insure the Association and the Owners against claims relating to the Association Responsibility Elements. The Association shall pay the premiums for all such insurance hereinabove described and the cost thereof shall become a part of the annual assessments.
6. Access for Maintenance. The Association and its agents, employees or contractors shall have the right of reasonable access for ingress and egress over, across or through each Lot for the purpose of performing its maintenance obligations of the Common Area and Association Responsibility Elements.

**XXVII. Addition of Property.**

- A. Conveyance of Additional Common Area and Additional Responsibility Elements. Declarant shall have the right at any time to convey additional Common Area to the Association or to add additional Association Responsibility Elements. Nothing in this Section, however, shall be deemed to be an obligation on the part of Declarant to convey additional Common Area to the Association in the future. The Association shall be obligated to accept any additional Common Area so conveyed by Declarant and to hold and maintain the additional Common Area pursuant to the terms of this Declaration.
- B. Subjecting Additional Land to Declaration. Declarant shall have the irrevocable right to subject additional land to the terms of this Declaration at any time in the future without the consent of the Association. The additional land shall be automatically subject to the applicable terms and conditions of this Declaration and Owners of Lots within the additional land shall automatically become Members of the Association in the same fashion as described in this Declaration and shall be subject to the same applicable terms, conditions, duties and assessments as described in this Declaration. Declarant shall signify the addition of land by filing an amendment to this Declaration with the Recorder. No approval of the Association or any other person shall be necessary.

**XXVIII. Enforcement of Covenants.** This Declaration shall be deemed to run with the land, and the Declarant, successor to the Declarant, Association, or the Owner of any Lot may bring an action in any court of competent jurisdiction to enforce this Declaration to enjoin its violation or for damages for the breach thereof, or for any other remedy or combination of remedies recognized at law or in equity, and shall further be entitled to recover reasonable

legal fees and costs if the Declarant, successor Declarant, Association or Owner prevails in any such action.

**XXIX. Amendments of Covenants.** This Declaration may be amended from time to time with the approval of the Owners. Such approval shall be given by the affirmative vote of not less than two-thirds (2/3) of the Owners. The Owner of each Lot (or the joint Owners of a single Lot in the aggregate) shall be entitled to cast one vote on account of each Lot owned.

Notwithstanding the foregoing, so long as the Declarant still owns at least a Lot or a portion of a Lot, it may make amendments or modifications to this Declaration without the consent of any other Owners or other party. Such amendments or modifications by the Declarant shall be effective the date the amendment or modification has been filed with the County Recorder.

**XXX. Period of Covenants.** The easements granted herein shall be perpetual in nature. All covenants, conditions, restrictions and reservations created by this Declaration shall run with the land and shall be binding upon all parties claiming under them for the maximum period allowed by law, subject to the right of Owners under Section 614.24 of the Iowa Code to file a verified claim in the office of the County Recorder to extend the effectiveness of these covenants for successive periods of twenty-one (21) years each on or before the twenty-first anniversary of the filing of this Declaration and prior to the twenty-first anniversary of the filing of the last verified claim. Invalidation of any of the covenants, conditions, and restrictions of this Declaration by judgment or decree shall in no way effect any of the other provisions of this Declaration, but the same shall remain in full force and effect.

**XXXI. Enforcement and Waiver.**

- A. In the event that any one or more of the foregoing covenants, conditions or restrictions shall be declared for any reason by a court of competent jurisdiction to be null and void, such judgment or decree shall not in any manner whatsoever affect, modify, change, abrogate, or nullify any of the other covenants, conditions and restrictions not so expressly held to be void, all of which shall continue unimpaired and in full force and effect
- B. The Plat shall also be subject to any and all rights and privileges of the City, now held or hereafter acquired, by dedication or conveyance, or by reason of the platting and recording of the Plat, or by this Declaration or by law. - D. This Declaration may be assigned by the Declarant to a successor in interest by written instrument executed by both parties and filed with the County Recorder.

IN WITNESS WHEREOF, this Declaration of Residential Covenants, Conditions and Restrictions, was made the date first written above by the Declarant.
